Dear Mr. Weisberg, 1 NOV 73

In a matter of days, my service in the army will be finished. On November 17, 1973, I will officially become a civilian. That is something that I have been looking forward to for the past 2 years.

On November 19, my friend Tom Barns, and I, are going to journey to Dallas. We want to be there by November 22nd. Penn Jones has offered to take us on a tour of the assassination points. He also said that he has hundreds of photographs that are available for purchase.

A year ago you stated that you had autopsy photographs available, at a price of $21.00. With your permission, I would like to purchase a set.

It is also my desire to meet you. Although in your letters you have stressed the fact that you are a very busy man, I sincerely hope that you can find the time to spend an evening with us. I have

a friend that lives not far from Frederick, from where I would come to visit with you. I am sure that it will be a memorable evening for Tom Burns and myself.

If you could fit us into your schedule at a time that would be convenient for yourself, we would be forever grateful. If you will meet us, let me know when, so that I can begin to make my arrangements. Thank you very much.

Sincerely,

Jon Meras
